

Safety Tip for Labor Day Weekend 2015

AFRH Safety Office reminds you that “every year about 1/3 of all motor vehicle traffic deaths involve one or more drunk drivers or motorcycle operators”.

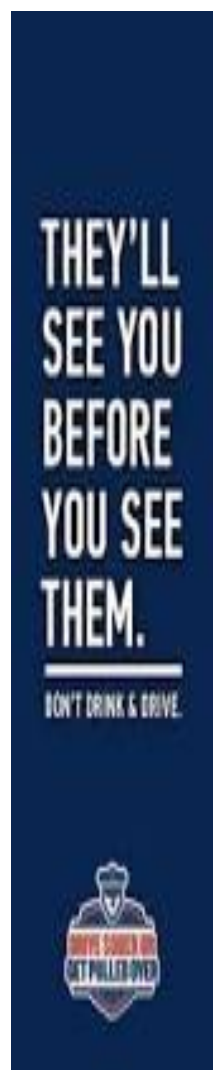

Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive drunk (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel after consuming too much alcohol.

Through Labor Day weekend local police will be out in force as part of the annual nationwide “Drive Sober or Get Pulled Over” crackdown on drunk driving.

SAFETY TIPS FOR DRIVERS

Here are some simple tips to help motorists and passengers keep safe this Labor Day holiday period and the remainder of the year.

- Plan a safe way home before you start festivities;
- Before drinking, designate a sober driver;
- If you’re drunk, use a taxi, call a sober friend or family member, or use public transportation;
- Use your community’s sober ride program **Yellow Cab - The Gulf Coast's Premier Taxi** 228-678-9074 or **D.C V.I.P Cab** 202-269-9000
- If you see a drunk driver on the road, contact your local law enforcement immediately;
- If you know someone who is about to drive or ride while drunk, be a friend and take their keys and help them make other arrangements to get to where they are going safely.

Been drinking? Choose your ride.
